

WHO, WHAT, WHERE **right** NOW!

The Fine Art Of: Kasia Pietras on finding more time. Who needs more time? Would an extra day or a week be ideal?

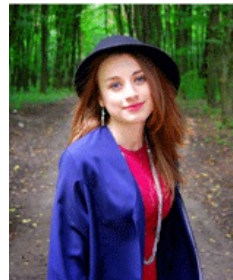

by Plain Jane, September 17, 2014

If you are a working woman like I am, you probably can barely remember a weekend or holiday when you didn't think, I need more time.

Kasia Pietra, a mother of two young children and, as she puts it, a

compulsive blogger, knows a lot about time well spent, even when a few free minutes to sit in front of a laptop and write can be scarce. "An extra day or a week would be ideal. How about a whole month?" she laughs.

Of course, extra days or weeks would be ideal, but we, working women, have to happily settle for just a couple of extra hours.

We all want more time, to do our chores, to get things done... and more time for our friends and family. And while we're at it, we also want to look our best, not to mention a fantasy vacation and a new dress.

How to Dress and What not to Wear

I made this section for my very selfish purpose. I want to live in the world surrounded by vibrant, confident and feminine women.

Kasia, our talented blogger, is full of ideas. She hopes to inspire you with ideas for your home, which also means taking care of yourself and those closest to you. And she wants to make it all as easy as possible.

We're excited to bring to you the best for you, your family, your home, your style and your health. Kasia is committed to helping you find ways to use your energy and money wisely, so make sure you follow her blog.
